Environmental Field Technician

Job Description:

Perform monthly underground storage tank system maintenance inspections, clean-up of small oil/fuel spills and leaks, and collection of groundwater samples and field data. The ideal candidate will have adept mechanical and/or construction experience and be capable of representing Creek Run in a professional manner.

Requirements:

- No experience required to fill this position as job training will be provided.
- Must be able to meet certain physical demands such as driving, standing, walking, bending, crouching, stooping, lifting heavy objects up to 75 pounds, climbing ladders or stairs, and use tools.
- Ability to work in all weather conditions.
- Must have a valid driver's license. Driver records will be reviewed as part of a pre-employment screen.
- Must have a high school diploma or equivalent.
- Must be able to pass a pre-employment drug screen.
- Must be legally authorized to work in the United States.

Benefits:

- \$18-\$20 per hour
- Simple IRA with employer matching
- Health insurance
- Paid time off
- Potential for annual bonus
